ORDER:

The Commissioner of Technical Education, A.P., Hyderabad in the letter dt.16.09.2011 read above, has stated that Government Institute of Electronics, Secunderabad was established in the Academic year 1981-82, vide G.O.Ms.No. 1003, LEN & TE (TE.I) Dept., dt.11.12.1981 as a State-wide Institution at Hyderabad. The Institute was selected to implement World Bank Assisted Project in Technical Education Quality Improvement Programme (TEQIP) in the State vide. G.O.Ms. No.61, Higher Education (T.E.II) Dept., dt:28.06.2005. In terms of the said G.O., the basic philosophy in implementing the TEQIP was to introduce the academic and non-academic reforms in those institutes and accordingly this institute was permitted to implement the reforms as prescribed in the said G.O., so as to grant academic, administrative, financial and managerial autonomy. Also, each institution was permitted to have two management structures viz., Board of Governors (BOG), and Project Management Units, and the Institutions have to be governed through its BOG. The BOG consists of 11-15 members and the term of board members was 05 years or till end of the project period whichever is earlier.

2. The CTE, A.P., Hyderabad has further stated that the TEQIP project in this Institution was completed in the month of March, 2009 and the term of Board of Governors was also completed soon after completion of TEQIP project in GIOE, Secunderabad i.e. March, 2009. He has stated that it is proposed to continue the autonomous status of the GIOE, Secunderabad with same composition of Board of Governors to govern the academic autonomy of the Institution to follow the guidelines related to the autonomy as prescribed vide. G.O.Ms. No.61, Higher Education (T.E.II) Dept., dt:28.06.2005. Therefore, he has requested the Government to issue necessary orders in extending the autonomy status to the GIOE, Secunderabad.

3. Government after careful examination of the entire matter and also keeping in view of the highlights & achievements of the GIOE, Secunderabad after grant of autonomy viz., placements, upgrading the curriculum to meet the industry's needs from time to time etc., here by accord autonomous status to the Government Institute of Electronics, Secunderabad for a further period of five years. The CTE is requested to follow the guidelines as issued in G.O. Ms.No.61, Higher Education (T.E.II) Dept, dt:28.06.2005 in this regard.

(Contd... at P.2.)
